RE: ManagedWay's Exemption from Executive Order 2020-21 COVID-19) - Critical Infrastructure Workers

To Whom It May Concern:

ManagedWay's workforce has been designated as critical infrastructure workers under Governor Whitmer's Executive Order dated March 23, 2020 (Executive Order 2020-21 COVID-19 - see Sections 8 & 9). We are a provider of Dedicated Internet, Cloud Hosting, and Colocation services to numerous essential businesses and government agencies (local, state and federal) in Michigan and abroad. ManagedWay is a Competitive Access Provider and Broadband Provider licensed with the State of Michigan. Please see the attached LARA Public Service Commission registration (CAP and Broadband Provider).

Many hospitals, medical providers, police stations, fire departments, governments and other first responders rely on ManagedWay's services to continue their operations during the COVID-19 pandemic.

This notice has been drafted to inform you that the following workers are critical to the continued operations of ManagedWay:

1. Robert Sanders
2. Reese Serra
3. Eric Aiello
4. Max Bartley
